

## **RECOMMENDED LAWYER LIST as at 14 June 2017**

ARPQ have contacted the Queensland Law Society for an up to date list of Lawyers that are familiar with our Act. These Lawyers can be contacted prior to signing an agreement to purchase a home in a Residential Park or signing a Site Agreement.

You may also need expert legal advice along the way which ARPQ do not give. We are not Lawyers.

The Law Society assures us that these Lawyers are familiar with our Act. However ARPQ cannot take any responsibility for their advice or charges. Please do your homework and ring around.
